Job Printed In News Office Wins National Award

Grant High School Annual Is Twice Adjudged Best in America

For the second time in the last two years The Trumpeter, Grant Community High school annual, has been awarded first place among American high school year books by the Columbia Scholastic Press association of Columbia University, New York City.

The first place award also was received by Grant High for the 1941 annual, thus twice in successive years the neighboring school has received the outstanding recognition for schools in the nation with less than 300 students. The award comes as a signal honor for Clyde C. Hill, faculty adviser, and for the student body of the school. Mr. Hill, with a selected staff of students, has directed the publication for the past five years, although he has been a member of the faculty at Grant for twelve years.

Both of the prize-winning annuals were printed in the office of the Antioch News. Points considered in judging the nation-wide annual contest were composition, adherence to theme, design, budget, cover, typography and press work.

The University Press asked permission to use one of the copper engravings appearing in the Grant year book in a current issue of the School Press Review, a journal of national circulation published by Columbia.

Richard Moran, Former Salem Township Board Member, Dead at 58

Richard W. Moran, 58, former Salem township supervisor, died Tuesday at the home of his sister, Mrs. James Christensen at Kansasville, Wis., of a heart attack.

He was employed at the Southern Wisconsin Colony and Training school at Union Grove, but at the time of his death he was spending a few days vacation at the home of his sister.

For several years he was foreman at Our Country club golf course just north of Antioch. He served four years as supervisor on the Salem town board.

The deceased was born in Bristol township January 17, 1884, and spent most of his life there and in Salem township.

Survivors are his sister, Mrs. Christensen, and brother, Peter Moran of Bristol, and a nephew, John Kavanaugh, Chicago, who had made his home with the Morans since a small child. His wife, Zita, passed away several years ago.

Funeral services will be held Saturday afternoon at 2:30 o'clock from Strang's funeral home, Antioch, with the Rev. H. C. Henslee officiating. Burial will be in Liberty cemetery.

Brooks Lake on Outdoor Broadcast

Outdoor sportsmen hereabouts are enjoying the broadcasts of Jack Little, outdoor editor of the Chicago Herald-American who writes under the name of Brooks Lake. Jack talks interestingly on all forms of outdoor life and brings many persons prominent in public life and the sporting world before the microphone in interviews. Livingston E. Asborn, director of the State Department of Conservation, will be the interviewee this Sunday night, 5 to 5:15 over WJJD.

Little is well known to hundreds of residents of the Lake region, having maintained his summer home at Petite lake for several years.

City Briefs

Mrs. F. L. Stevenson of Chicago and Mrs. Oscar Paine of Everett, Wash., were guests of Mr. and Mrs. George E. Good over the week-end.

Mrs. Roy Kufalk is convalescing at her home after having her tonsils removed several days ago.

Mrs. W. R. Williams, who has been ill at St. Joseph's hospital, Chicago, for the past several days is improving and expects to return home in a few days.

Mr. and Mrs. Irwin Hatton, Mr. and Mrs. Bradley Hatton and children, Jackie and Glenn and Mrs. Eveline Hatton of Chicago will be the guests of Dr. and Mrs. E. J. Hays, Sunday.

Ray Webb is taking treatments at the Spa at Waukesha, Wis.

FOR VICTORY

Quack! Quack! Hunters Prepare For Open Season

Duck Hunters to Have 70-Day Season Starting Next Thursday

Duck hunters are poised for the big moment — next Thursday, Oct. 15, at sunrise — which marks the opening of the migratory waterfowl season in Illinois. Grass Lake, mecca for sportsmen and duck shooters, as well as lakes and waterways of the entire

lakes area will be filled as usual with hunters from Chicago and Cook county, who will mingle shot and shell with local nimrods on the opening day.

The federal government's new regulations are slightly more liberal in regard to duck shooting and more stringent in regard to goose shooting this year, the Illinois Conservation bulletin points out. But in most points there are few changes from the 1941 regulations.

Principal change allows hunters a 70-day duck season with shooting hours from sunrise to sunset. Last year the season was 60 days long with shooting from sunrise to 4 p.m.

Federal regulations crack down heavily on goose-hunting by limiting shooting hours in Alexander county, best goose-shooting area in Illinois, to from sunrise to 12 noon. The goose season will close Dec. 13 — ten days earlier than the duck season.

1942 Regulations

The 1942 regulations are, in brief: Season: Oct. 15-Dec. 23, inclusive. Total: 70 days. (Except Geese: Oct. 15-Dec. 13, total: 60 days.)

Shooting Hours: Sunrise to Sunset daily (except for geese and brant in Alexander County, shooting hours there are Sunrise to 12 Noon.)

Ducks: Daily bag, 10; possession limit, 20. (Daily bag of redheads or buffleheads limited to three singly or in the aggregate with six singly or in the aggregate in possession. Wood duck bag and possession limit is one.)

Geese: Daily bag, 2, plus an additional 4 blue geese. (If blue geese only are taken the daily limit is 6.) Possession limit, 4 plus two blue geese. (If blue geese only are taken the possession limit is 6.)

Coots: Daily bag, 25; possession limit, 25. Brant: Daily bag, 2; possession limit, 4.

Rails and Gallinules (except Coots): Season, Sept. 1-Nov. 30; Shooting sunrise to sunset; daily bag, 15; possession limit, 15.

Sora: Season, Sept. 1-Nov. 30; shooting, sunrise to sunset; daily bag, 15; possession limit, 15.

Mourning Doves: Season, Sept. 1 to 30; shooting, sunrise to sunset; daily bag, 10; possession limit, 10.

Ross's Geese, Swan, Wood Cock, and Wilson's Snipe (Jacksnipe) are fully protected and may not be taken or hunted in Illinois under any conditions.

All hunters over 16 are required to have a Federal Duck Stamp (obtainable at any postoffice for \$1.00), and every hunter, regardless of age, must buy an Illinois State hunting license (obtainable at county, city, and village clerk's offices for \$1.50).

Feeding and baiting of migratory waterfowl is prohibited, as well as use of live decoys, and the 3-shell limit on repeating shotguns remains in force. Floating blinds are barred, unless anchored, and goose pits or blinds must be spaced a minimum of 150 yards apart and 75 yards from property lines.

All of these laws and regulations are made by the Federal Government and enforced by Federal officers; but the law-enforcement staff of the Illinois Department of Conservation is also empowered to enforce them.

Cattle Racketeers Are Convicted In U.S. Federal Court

Iowa Men Who Victimized Antioch Farmers Are Sentenced

The long arm of the law has finally caught up with an organization of cattle racketeers who have been victimizing farmers throughout the middle west, including several stock raisers of Antioch community, it became known here this week.

The fraudulent transactions of the racketeers who had headquarters in several towns in Iowa were finally brought to light by the United States Post Office Department investigators who charged the men with using the mails to defraud.

Included in the long list of those convicted were Ernest Latta, of Batavia, Iowa, who was sentenced in federal court at East St. Louis to serve for two years in the federal penitentiary and fined \$750; and Frank Stever, of Fairfield, Iowa, who was twice convicted and sentenced for his part in the dishonest cattle deals — once in East St. Louis federal court, and again two months later in Bluefield, W. Va. Convictions of these and many others carried penal sentences of three years, which were suspended upon payment of the fines. The men were placed on probation for the length of the sentences.

Used Mails to Defraud

The method of operation of the cattle men was simple — and crooked. Advertisements were placed in newspapers published in other states, and post cards advertising good buys of Iowa cattle were sent to farmers and cattle raisers as early as 1939. Purchasers traveling to the Iowa towns to make selections of cattle were shown choice stock. Then while the purchasers were being well entertained by members of the gang, the cattle purchased were unloaded from car or truck and scrub stock substituted. Payment was made in advance and once the cattle had been taken across a state line the purchaser had little recourse.

Apparently the organization was wide in its scope. Even barbers and hotel men co-operating in the entertainment of out-of-town cattle purchasers to see that a strange buyer did not talk to the wrong people.

Farmers and stockmen of the Antioch area had a part in the conviction of the racketeers through supplying information that had been transmitted through the U. S. mails.

For several years the Antioch News has refused advertising from cattle-men of other states, and has asked for bank references from such would-be advertisers. None of these has been forthcoming and the advertising has been omitted in every case.

VILLAGE FATHERS PONDER ANTIOCH POLICE PROBLEM

The matter of adequate police protection for the village claimed the attention of the board of trustees at the October meeting held Tuesday night in the office of S. Boyer Nelson, where the board went for their session while voters' registration was still in progress at the village hall.

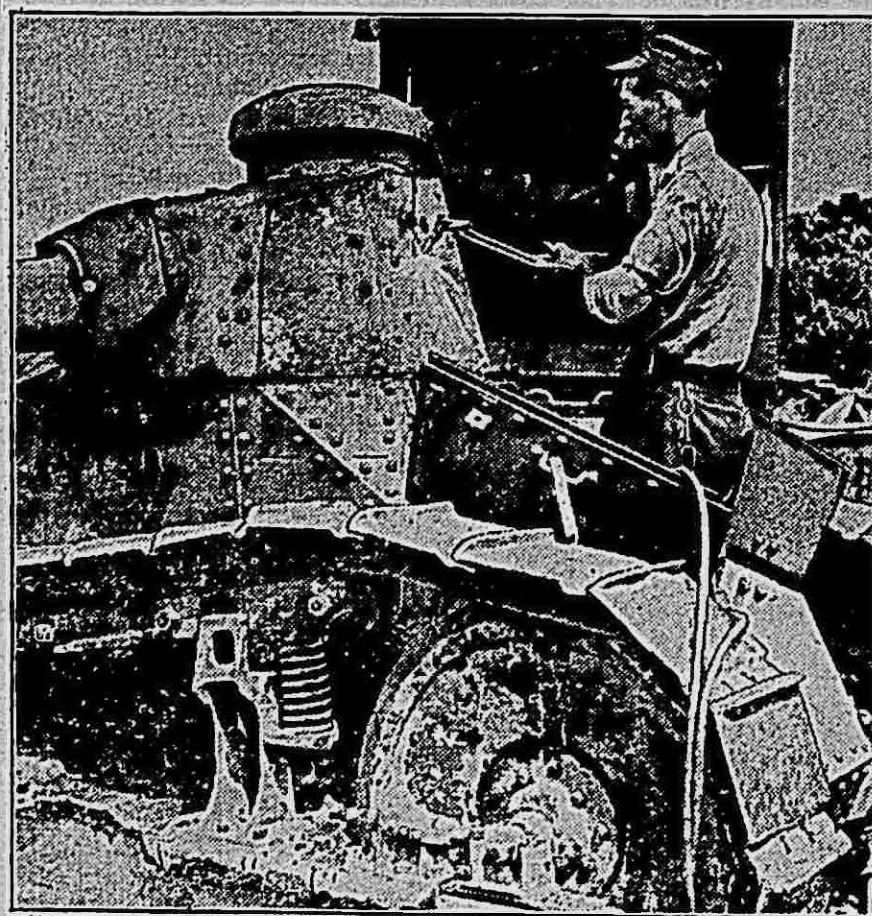

With the passing of Labor day the matter of night police assumes a different aspect, board members pointed out. Police duties from the standpoint of keeping the peace in this otherwise peaceful village, then change to that of night watchman to guard against fires and burglaries. Fred Petersen, who policed the town at night during the summer is still on the job, although last spring the night police job was designated as a summer position, board members said. Whether or not to retain Petersen for the night duty is a matter for the board to decide before Nov. 1.

To add to the board's troubles, Sheridan Burnette, village employee who also assisted with police duties during the summer, has resigned to take employment in defense work at Great Lakes Naval Training station.

Lots of Ducks in S. Dak.

Both pheasants and ducks are plentiful in South Dakota, according to Louis J. Nielsen, who in company with James Fitzpatrick, has just returned from that state after a successful hunting trip. The opening day was Sept. 26. Bob Hardman also is doing some duck and pheasant shooting out there.

Carving Hitler's Goose

An oxyacetylene torch is getting out a choice cut of high-nickel content alloy steel from this old tank left over from the last war. It is one of a lot of 177 six-ton Renaults that have been routed to a Baltimore scrap dealer's yard where the work of cutting them up and segregating alloy steel parts from parts made of plain carbon steel is now going forward. From the scrap dealer's yard the salvaged alloy steels are being shipped to Bethlehem Steel Company plants for remelting. The plain steel will go into plates for more ships, the alloy steels into armor for new tanks and battleships of the latest design, also armor piercing shells.

EARLY FROST DESTROYS CROPS, REPORT SHOWS

The September weather report compiled by Roy I. Kufalk, cooperative observer for the U. S. Dept. of Commerce Weather Bureau, shows that our first killing frost occurred on Sept. 25, when the temperature dropped to 27°. During the early evening, snow covered the ground, but melted quickly. First snowfall last year occurred in November.

Monday, Sept. 28, brought the second killing frost with a reading of 28°. Both frosts laid low most of the flowers and vegetables not harvested.

Reports from sections around Antioch indicate severe damage to some of these crops.

Maximum temperature 87° on Sept. 14, with minimum temperature 27° on Sept. 25.

Low Golf Scores Feature Invitational Tournament

The invitational golf tournament, held annually at Chain of Lakes Country club and postponed from Saturday, Sept. 26, really had an ideal day Oct. 3, for the divot digging.

The Ladies tournament resulted in first place and the cup for Mrs. Jule Darning with a low gross of 99. Mrs. Clara Gerber won second with a low gross of 115.

The Men's tournament brought out some scores approaching par and really produced some stiff competition.

George Gerber, always in the front lines, won the cup with a low gross of 73.

Joe Wunsch won second with a 76 and E. J. Wells was third, with a card of 78.

Low net for the men, was won by W. E. Cooper with Walter Weingaand second.

Blind Bogey 77 was the number drawn for the blind bogey with 5 ties splitting the money prize. Other prizes for play also door prizes were awarded.

Fifty people stayed for the dinner in the evening, followed by a party and midnight lunch, finally breaking up long after the curfew.

Antioch Firemen to Aid Wardens' School Tonight

The third session of the wardens' school begins at 8 p. m. tonight (Thursday) at the Antioch High school.

Co-ordinator Paul J. King will present a subject, after which a demonstration and instructional information will be presented by our Antioch Fire department, led by Chief Lew Van Patten, assisted by Herman Rosing and members of the force.

Attention is called to the Control Center demonstration by Col. Rogers now scheduled for Thursday, Oct. 22. All wardens and fire watchers are urged to keep this date open.

Mrs. Walter Loefer and Mrs. J. Dhondt of Lake Forest were guests of Miss Elizabeth Webb on Wednesday.

Greenlee Pleased With Progress Made by First Aid Class

Says Candidates for Air Raid Wardens Show Special Aptitude

First Aid Instructor Harry Greenlee who is in charge of the First Aid class that is being conducted here in connection with qualifying candidates for township air wardens, today expressed satisfaction with the rapid progress being made in the two lessons that have already been given. The third will be conducted next Tuesday night at the Antioch Grade school at 8 o'clock. Instructor Greenlee is being ably assisted by Arthur Laursen, also a lay instructor and member of the Antioch Rescue squad.

This special course consists of five sessions of two hours each and designed primarily to cover action to be taken in warfare injury.

Our community is fortunate in having such excellent facilities and talent for carrying on this very important work.

A. E. F. Christmas Mail Should Be Sent By November First

The War Department advised that Christmas packages, letters and cards for men overseas should be mailed between October 1 and November 1, if they are to reach their destinations in time for Christmas.

Officials urged that packages be kept to a minimum in size and weight since all available cargo space is needed for the transport of vital military supplies.

No package weighing more than eleven pounds or more than eighteen inches in length or forty-two inches in length and girth combined may be mailed to one soldier, by any one person.

Relatives and friends of soldiers were requested not to send food or clothing.

All packages are subject to censor and senders are advised to consult their local post offices as to what articles would not be accepted. The Post Office Department will issue detailed instructions.

Packages may be marked "Do Not Open Until Christmas."

Fire Damages Miller Cottage at Bluff Lake

An overheated stove pipe near a wall in the kitchen at the Harry Miller cottage on Grass Lake road was the cause of a fire there at five o'clock Saturday afternoon. The Antioch fire department responded to the call and the flames were extinguished before much damage was done.

Gordon Good, a student at Northwestern University, spent Saturday in Antioch with his parents, Mr. and Mrs. George E. Good.

Collect 228,000 Lbs. of Scrap Here Since December 7

Schools and Citizens Co-operate in Continuing Salvage Drive

Since August 7 and up to Wednesday afternoon, 109,380 lbs. of scrap iron and other junk has been shipped on its way from Antioch Township, according to C. L. Kutli, Salvage chairman.

Previous to August 7 and following the Pearl Harbor incident 118,000 lbs. had been sold out of this township, making a total of 227,380 pounds thus far.

Kutli predicts that before next December 7, another 45 tons will be shipped out.

This does not figure in the growing pile at the Antioch Grade school, and smaller piles that are forming at the country schools, Antioch High school and one being formed by the Millburn Boy Scouts at Millburn.

The above figures also do not include the iron which has been removed from this territory by unauthorized dealers who under false pretense accepted donated iron for the Antioch Salvage committee, but sold it in Chicago at a clear profit to themselves.

Chairman Kutli warns all citizens who wish to donate their scrap to be sure to call Antioch 296 and then not to surrender the scrap until an authorized dealer appears to pick it up. If Mr. Kutli does not call in person, the truck driver will have a signed statement from him.

Citizens are also asked not to call for a truck to pick up scrap, when they have only tin, sheet iron articles, wire and other light scrap. That kind of material is worth little and should be hauled together into larger piles so it will facilitate more economical handling.

Dealers will not mix their loads with sheet iron and heavy iron, and right now the heavy iron is in greatest demand.

There is a pile of light sheet iron at the Sheahan Implement yard on Depot street. Citizens may leave it there as well as the heavy iron, but they are asked to keep the two separate to help on the labor of sorting and handling.

LOWER GAS RATES EFFECTIVE SOON

Approximately 175,000 residential, commercial, and small industrial gas customers of the Public Service Company of Northern Illinois will pay nearly one-quarter of a million dollars less per year for gas under a reduced rate schedule filed by the company and approved this week by the Illinois Commerce Commission.

The bulk of the reduction, amounting to \$247,000 a year, will accrue to residential users.

The new rates, according to the Commission order, are to be effective within twenty days, and the company will start billing customers under the reduced schedule as quickly as possible.

The reduction in rates is the second within six months given by the company as a result of the Illinois Commerce Commission's case against the Natural Gas Pipeline company of America which brought about a substantial reduction in natural gas costs to the utility. The first reduction amounted to \$735,000 annually.

NUTRITION CLASSES TO START OCT. 15

Sponsored by Red Cross Consumers Interest Division and the Woman's Division of the Lake County Civilian Defense committee, a 20-hour course in nutrition will start at the Antioch High School cafeteria on Thursday, October 15, at 7:00 p. m.

The course is divided into ten lessons of two hours each, and the only charge will be 35 cents for a text book, and all women of the community are urged to attend.

The classes will be under the capable charge of Miss Deedie Tiffany, home economics teacher in the North Chicago city schools.

Those desiring further information may call Mrs. H. H. Perry, chairman of the Consumers Interest Division; Mrs. V. B. Nedbal, chairman Women's Division of the Civilian Defense committee, or Mrs. W. C. Petty, local chairman of the American Red Cross.

The regular meeting of the Eastern Star was held Thursday evening at Masonic hall.

THURSDAY, OCTOBER 8, 1942

Save Your Own Bacon

For purely selfish reasons, if no other, every American citizen should become a participant in the war against fire. Shortages of materials and labor will make it difficult and in some cases impossible to rebuild homes which fire has destroyed. And the same thing will be true of businesses which are not on the brief "essential to the war" list issued by the government.

The organizations whose job it is to prevent fire are doing better work than ever. The National Board of Fire Underwriters, for example, is doing an invaluable and extensive fire protection work, without charge, for the Navy, the Army, and for many important industries. Progressive cities have expanded both professional and

volunteer fire-fighting departments. Civilian defense activity stresses fire prevention and control. But, these groups simply cannot do it all. They can't make certain that every home, every office, and every factory is as free of fire hazards as possible, and is adequately equipped to fight fire if it breaks out. The public at large must help.

There is no mystery to fire prevention in the home. Such hazards as accumulations of periodicals, old clothes and furniture in basements, closets and attics can easily be eliminated. So can most other hazards—improperly stored inflammable liquids, frayed lamp wiring, defective heating appliances, etc. In industry, management should see to it that effective fire-fighting equipment is provided—and that all workers are trained in its use. That costs little, and it may pay vast dividends.

Fire destroys materials, money and labor that are vitally needed for the war effort. Fire, therefore, is on the side of our enemies. Fight it!

Our Antioch Fire department and school officials are doing their part in observance of this week. School premises and property in the fire district will be inspected by the Fire department under supervision of Fire Chief L. Van Patten.

WILMOT

Election of class officers aroused keen interest among the students at Union Free High school. The officers elected are as follows:

Senior Class—President, Leonard Fischer; vice-president, George Falt; sec-treas., Georgia Van Der Zee; Student council, Velma Richards.

Junior Class—President, Micky Roberts; vice-president, Patsy McCarthy; sec-treas., Marvin Richter; student council, Arlene Sheen.

Sophomore Class—President, Marjorie Epping; vice-president, Nadia Hegenman; sec-treas., Phyllis Richards; student council, Evelyn Burnmeister.

Freshman Class—President, Eugene Anderson; vice president, Jerry Richter; sec-treas., Virgiline Falt; student council, Billy Schnurr.

Boys' Athletic Association—President, Micky Roberts; vice president, Marvin Richards; sec-treas., Verne Stockwell; student council, Leonard Fischer.

Commercial Club — President, George Falt; vice president, Dick Allen; sec-treas., Jimmy Mitchell; student council, Don Joerndt.

Girls' Athletic Association—President—Velma Richards; vice-president, Arlene Sheen; sec-treas., Evelyn Burnmeister; student council, Harriet Sakalowski.

Dramatic Club—President, Grace Waldo; vice-president, Dick Allen; sec-treas., Frances Dix; student council, George Falt.

The students at the high school are making elaborate plans for their homecoming game on Oct. 23, when Milwaukee will play Wilmot, it was announced by Prin. M. M. Schnurr.

Mr. and Mrs. Winsor Madden of Kenosha were Sunday dinner guests of Mr. and Mrs. Herbert Sarbacher. In the afternoon they called on Mr. Madden's father, Fred Madden, and aunt, Miss Cora Madden.

Keith Hegenman was home from Wisconsin university to spend the weekend with his parents, the Leland Hegenmans.

Miss Virginia Neuman of Burlington spent Sunday with her parents, Mr. and Mrs. Gust Neuman.

Mrs. Elmer Burt spent Monday and Tuesday in Chicago.

Mr. and Mrs. Paul Ginzlin and Miss Doris Ginzlin were dinner guests at the home of Mr. and Mrs. Charles Schmalleit in Kansasville Sunday.

Mr. and Mrs. Thomas Madden of Rockford called at the Paul Ginzlin home on Sunday evening.

Rev. and Mrs. C. A. Otto of Wauwatosa and Mr. and Mrs. Arnold Wisnowski, also of that city, were guests on Sunday of Rev. and Mrs. R. P. Otto.

Miss Axis Voss returned to Elgin Sunday evening, after spending the past few days with her parents, Mr. and Mrs. Paul Voss. While at her parents' home she submitted to a tonsillectomy at Woodstock Friday.

Mr. and Mrs. E. W. Swantz and Mrs. Addie Morrell accompanied by H. E. Morrill of Union Grove, were Sunday afternoon callers at the home of Mr. and Mrs. Paul Voss.

On Sunday, Oct. 11, Rev. and Mrs. R. P. Otto will attend the Mission Festival at East Troy, where Rev. Otto will be guest speaker. During his absence on Sunday, the Rev. Melvin Schwenzen of Kenosha will substitute at the Peace Lutheran church, and the services will be as follows: Sunday School at 8:45 and English worship at 9:30 A. M.

Mr. and Mrs. J. A. Nolan of Oak Park accompanied Misses Grace and Ermine Carey and Dick Carey to McHenry Sunday to attend a dinner at the home of their sister and husband, Mr. and Mrs. Wallace Dobyns.

Mr. and Mrs. William Vogel and family of West Allis were Sunday dinner guests of Mr. and Mrs. Otto Vogel.

During the month of October, there will be a Holy Hour every Sunday evening at 8:00 o'clock at the Holy Name church, it was announced by the Rev. Harold O'Connor.

There has been a change in masses at the Holy Name church at Wilmot and at St. John's Catholic church at Twin Lakes. The new schedule will be a daily mass at 8:00 o'clock until further notice. Masses at St. John's at Twin Lakes will be at 8:00 o'clock Sunday only.

Mr. and Mrs. Don Herrick and son, Milton, of Oak Park were week-end guests at the Harry McDougall home.

The Rev. R. P. Otto started a class in fundamental doctrines of Christian religion for adults, on Tuesday evening, Oct. 6, and he will welcome anyone who is interested, into this class.

Mrs. Herbert Sarbacher left Tuesday morning to attend the three day session of the Order of the Eastern Star, which is being held in Milwaukee.

Mr. and Mrs. Floyd Pacey and baby daughter of Kenosha were dinner guests of Mrs. Hattie Pacey on Sunday.

Major R. H. Sikes of Springfield and his two sons and daughter from Golf, Ill., were recent visitors at the John Blackman home. On Friday afternoon, Mrs. William Stewart and daughter of Spring Grove and Richmond and the Mmes. Bert Johnson and LeRoy Ros of Waukegan spent the afternoon.

A group of friends surprised Mr. and Mrs. George Higgins at their home here on Wednesday evening and presented the couple with a purse. Those attending were: Mr. and Mrs. Elmer Rasch, Mr. and Mrs. Floyd Memler and son, Mr. and Mrs. Winn Peterson, Mr. and Mrs. Henry Frank and children; Rev. and Mrs. A. Attwood and son of Salem, Mrs. P. Bogda, Mrs. Harry McDougall, Mrs. Etta Winn, Pleasant Prairie, Mrs. Henry Vincent, Twin Lakes, Miss Anna Kronke, Mr. and Mrs. David Kimball, Mrs. Albert Van De Walker, Mrs. Herbert Frank and Miss Ruby Memler. They brought baskets laden with food, and ice cream was served by Mr. Higgins.

Mrs. Winn Peterson, was guest of honor at a farewell party on Thursday evening at the home of Miss Anna Kronke. The party was given by the Wilmot Mother's club and about thirty members and friends were present. Several tables of bridge and five-hundred were played after which, Miss Kronke served a delicious lunch. The club presented, Mrs. Peterson with a lovely gift and Mrs. M. Schnurr, led in the singing of several appropriate songs which concluded the party. Mr. and Mrs. Winn Peterson, are moving to Kenosha about the fifteenth of this month.

Mr. and Mrs. John L. Freeman, left Thursday for Chicago, where they will make a brief visit before leaving for Carbondale, Illinois where they plan to spend the winter months.

Mr. and Mrs. Fred Padley, have moved from Antioch to Wilmot and

will reside in the Freeman house for the winter. Mr. Padley is manager of the Material Service Company.

The members of the Geona City Pleasure Club, was entertained at the home of Mr. and Mrs. David Kimball on Thursday evening in honor of Mrs. Kimball's birthday anniversary. The evening was spent in playing five-hundred and a delicious lunch followed. The members presented Mrs. Kimball with a purse.

Mr. and Mrs. George Higgins, were guests of honor at a dinner given in honor of their recent marriage. About twenty guests attended the dinner given by Mr. and Mrs. R. C. Webb and Mrs. Cora Jones in Kenosha. The couple were presented with a huge bouquet of flowers.

Mrs. John Blackman accompanied by Mrs. Rudolph of Channel Lake, spent one day the latter part of the week with Mrs. George Robinson at Russell.

Mr. Charles Brennan, who has been spending several days with her parents, Mr. and Mrs. John Blackman, left the latter part of the week to join her husband in Lexington, Kentucky.

SALEM

Mr. and Mrs. E. T. Manning have returned from a week's vacation in northern Wisconsin.

Mr. and Mrs. E. H. Hartnell spent Sunday with Mr. and Mrs. Roy Peterson at Union, Ill.

Mrs. William Evans of Rock Lake and Mr. and Mrs. Nelson Drom of Antioch spent Friday afternoon calling on Mrs. Luanah Patrick.

Mr. and Mrs. Herman Mekou and children of Milwaukee spent Sunday with their parents, Mr. and Mrs. Frank Schmidt.

Mr. and Mrs. Arthur Bloss, Sr., spent the week-end at the home of their son, Milward Bloss, at Wheatland.

Mrs. Janet Fletcher was an Antioch caller Saturday.

Mr. and Mrs. A. C. Stoxen are spending a few days visiting relatives at Harvard and Sharon.

Mr. and Mrs. Clarence King spent Sunday afternoon and evening visiting Mr. and Mrs. E. C. Cisna at Calu-

met, Ill.

Miss Sarah Patrick of Trevor spent Monday at the Byron Patrick home. Mr. and Mrs. Alfred Schmidt and R. Hackbarth attended funeral services for Mrs. Anna Hackbarth at St. Luke's Evangelical Lutheran church in Kenosha Monday afternoon.

Wallace Miller is enjoying a week's vacation from his duties at Hartnell's garage.

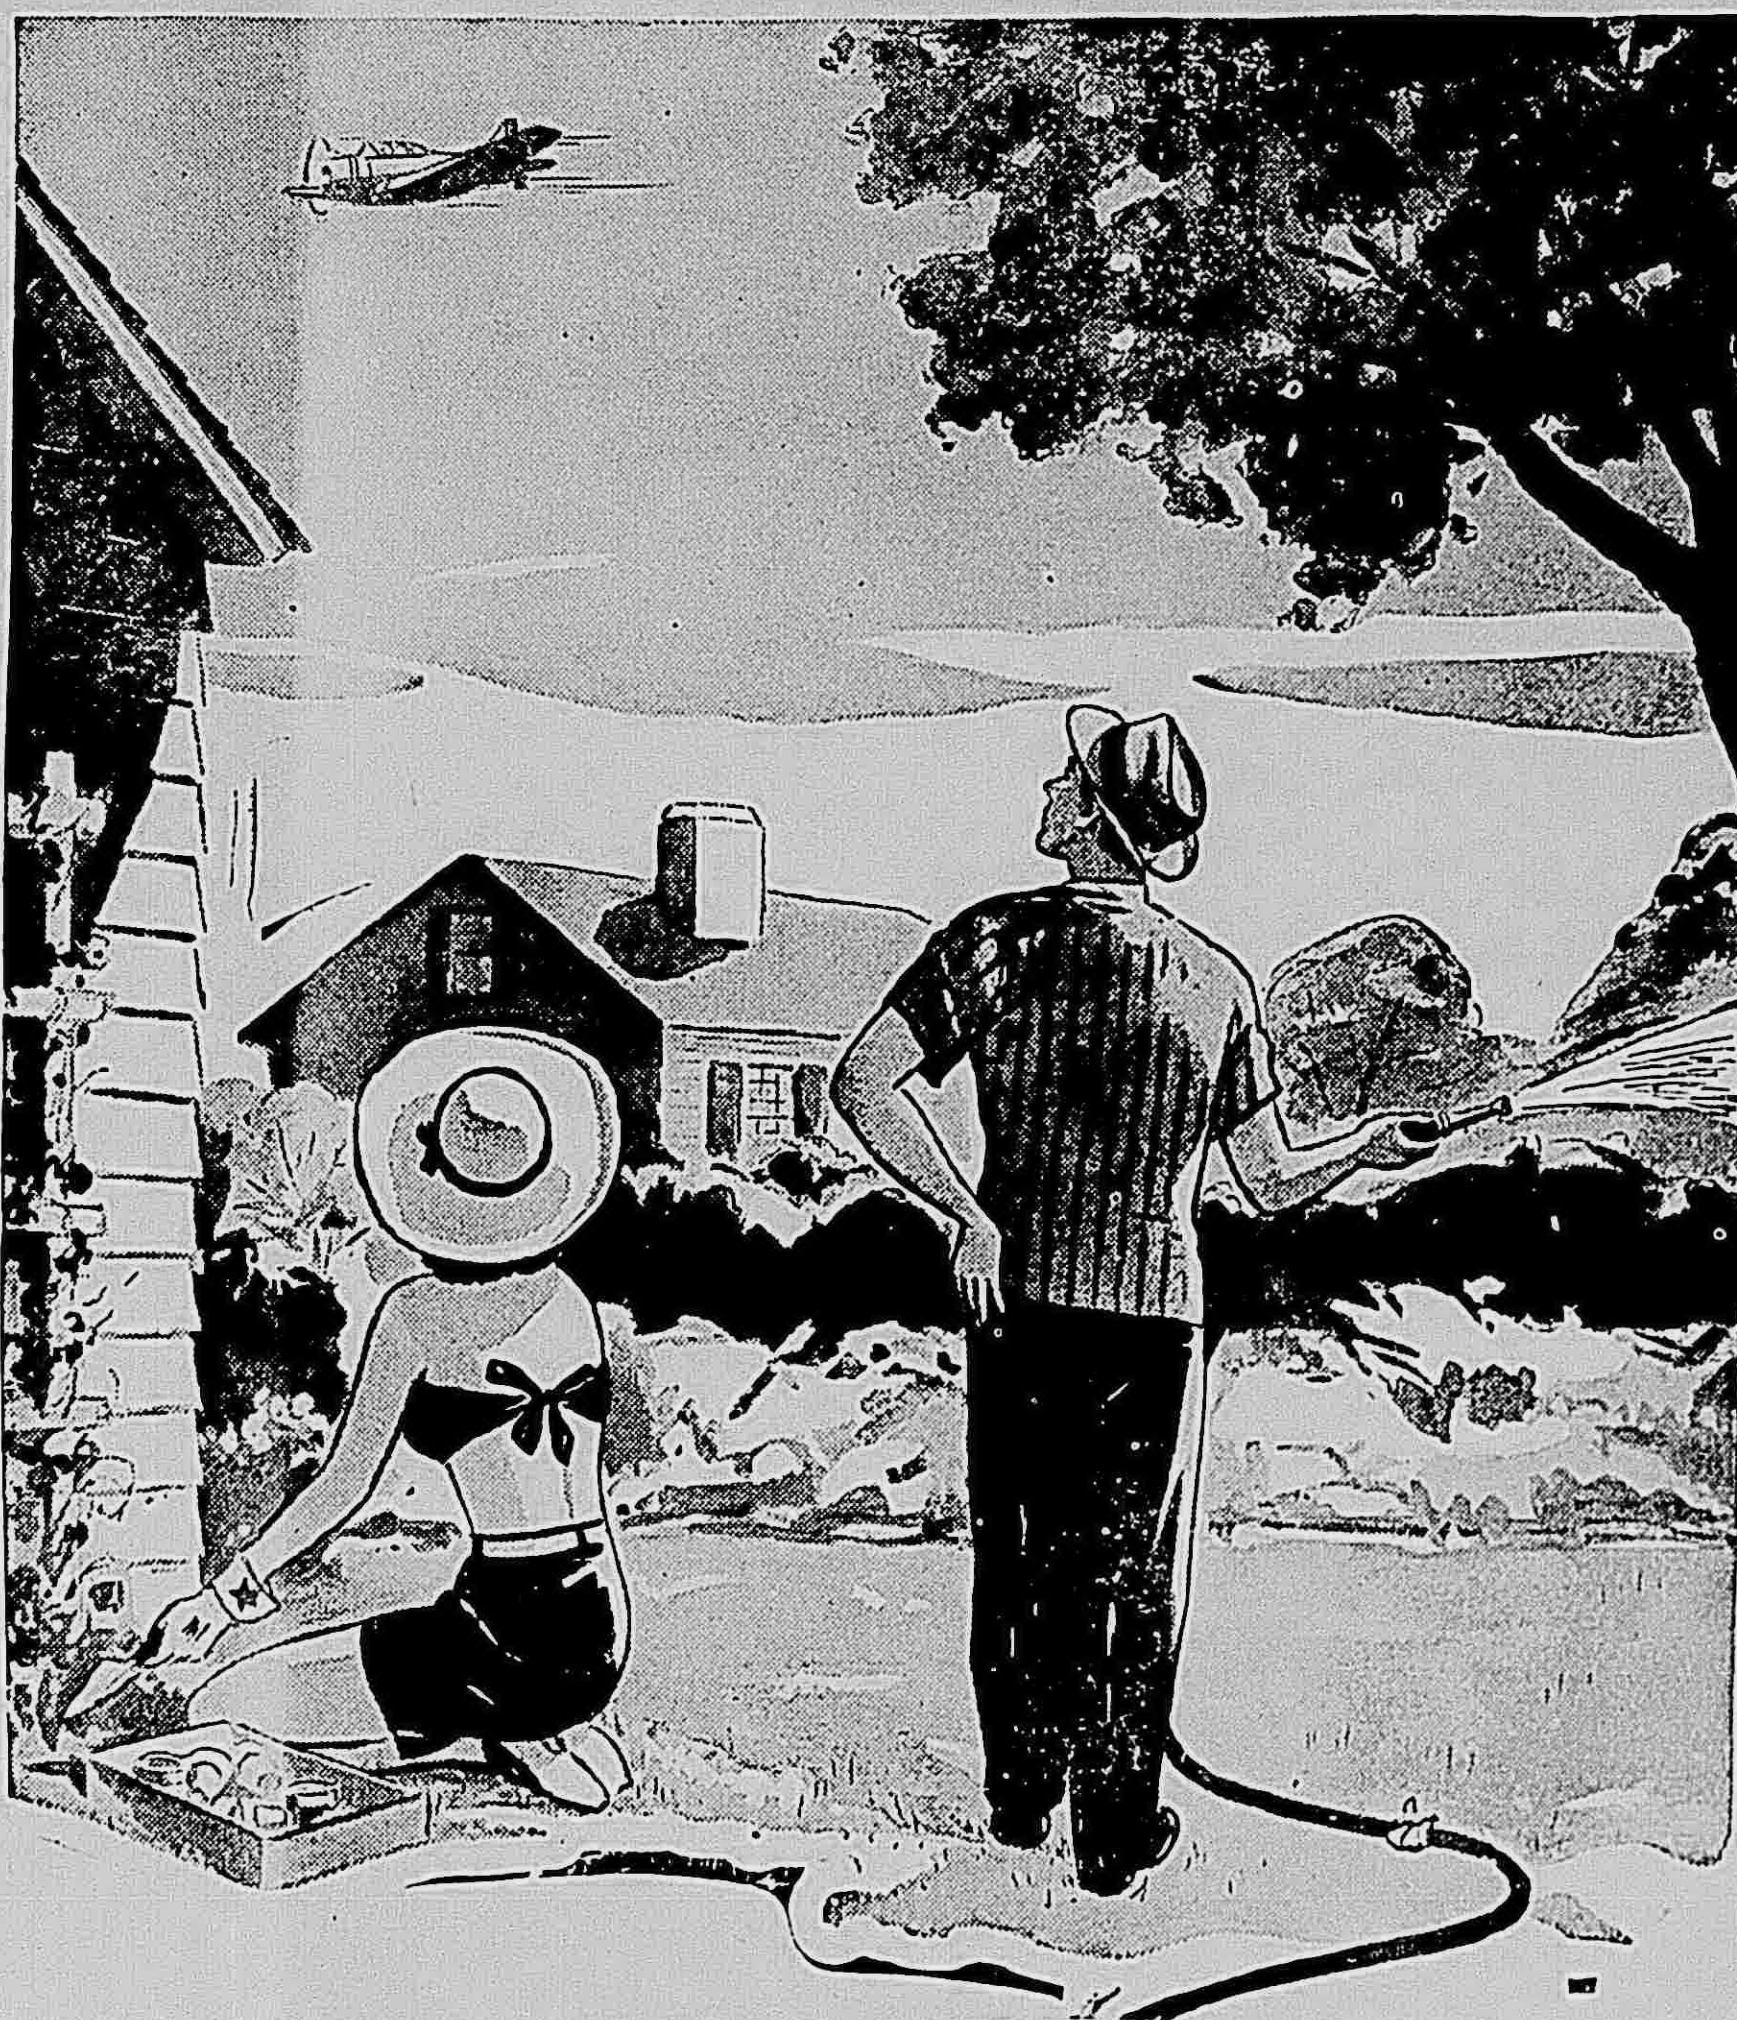

Miss Olive Hope, Miss Josie Loescher, Mrs. Lyle Woodbury and Mrs. Clarence King are at Milwaukee this week to attend the grand chapter of the Order of Eastern Star.

Arthur Bloss, Sr., was an Antioch caller Saturday.

Mr. and Mrs. Henry Simes and children of Hebron visited at the A. C. Stoxen home Sunday afternoon.

----- V -----

Not Quite Three Years
The Michigan state highway commission made a survey to discover just how fast America's auto tires are wearing out and found that the average tire was using up its rubber at the rate of 3 1/2 per cent a month.

"There goes your new refrigerator"

That new refrigerator you ordered—and couldn't get—has sprouted wings. Now it's part of a four-motored bomber carrying "love letters" to the Axis!

Yes, and that new car you planned on has become a General Grant tank. Instead of speeding you to Yellowstone this summer, it's carrying a crew of hard-fighting, eager young men across the sands of Africa. The same is true of a lot of things we've been accustomed to. They've gone to war! Your radio, washing machine, vacuum cleaner, your breakfast toaster, too—they are all first cousins to tanks and planes and ships and guns. Many of these weapons are being made on the same machines that used to turn out the household implements for your kitchen.

That's why it's so important to make the things you now have last for the duration. Chances are there just aren't any more where they came from. Either the materials that went into their manufacture are now needed to build fighting machines... or, the factories that made them are now busy producing goods for Uncle Sam's army and navy. The result is—civilians will have to go without until the war—and the axis—is finished. So don't take chances on the things you now have. Keep them in working order.

Remember—to keep the home front strong—to keep our households running on a steady keel—we must make the things we have last for the duration. They've got to outlast the Axis!

* with PULLETS!

The biggest lift you can give to the cause of all-out egg production is to build your pullets big and ready for heavy laying just as fast as you can. Feed them your grain ground and mixed, according to Formula, with that great growing concentrate Purina Chowder. See us with your grain and we'll turn it into a balanced Pullet building mash for you through our Purina Approved Custom Mixing Service.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

By HAROLD L. LUNDQUIST, D. D.
Of The Moody Bible Institute of Chicago.
(Released by Western Newspaper Union.)

Lesson for October 11

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

LOYALTY TO CHRIST

LESSON TEXT—Mark 2:14-17; John 6:66-69; Philippians 3:7-11.
GOLDEN TEXT—What things were gain to me, those I counted loss for Christ.—Philippians 3:7.

Loyalty is undoubtedly one of the finest traits of mankind. Because of its strength, its fidelity to duty, etc., shrewd men have learned to play upon man's loyalty, making it serve evil and ignoble ends. Unworthy causes, having thus gained the interest of man by fair means or foul, have demanded blind loyalty. Even in the carrying out of crime there has been the suggestion that there is some kind of a code of honor, a loyalty among thieves. All this does not change the fact that there is a high and holy impulse in man to stand true to the right; and in the Christian, to be found ever loyal to the Christ, whose we are and whom we serve. Faith in Christ (our lesson of last week) is rightly followed by loyalty to Him. It manifests itself in three ways.

I. Following Christ (Mark 2:14-17).

Without obedience there is no use talking about loyalty. When Jesus said: "Follow me," Matthew (Levi) arose and followed. He was a sinner (v. 17), a man of the despised calling of tax-gatherer (v. 14), but he was ready for the call of Jesus.

Notice also that following Christ carries with it the privilege and obligation (it is both) of making Him known to our friends. Matthew did not wait until he had made a new circle of friends and then invite them to a feast. He celebrated his entrance upon the new life of faith by a friendly and effective testimony before his friends who were publicans and sinners.

Notice the words of Jesus in verse 17. It is not good people, satisfied in their own self-righteousness, who get to heaven. It is sinners, saved by grace, who will there magnify the Saviour's name.

II. Faithfulness to Christ (John 6:66-69).

It is one thing to begin, but quite another to persevere in well doing. Jesus had been doing many miracles and a host of followers had flocked to Him. He had not only done great deeds, but had spoken beautiful words about the Fatherhood of God, the power of the Holy Spirit, etc. He had fed the five thousand, and they liked that too.

But now He had talked about a broken body, about partaking of His flesh and His blood, and they did not like it. This reached too deeply into the necessity for a personal spiritual experience, and one that spoke of sacrifice, and many of the disciples "walked no more with him" (v. 66).

How perfect a picture of the "religious experience" of multitudes of men and women in our day.

The true disciple, however, stands truest in just such an hour. "We believe," said Peter, and he spoke better than ever before in his life. "We don't understand everything (that's the thought back of 'To whom shall we go?'), but we believe, and we will stand fast." Blessed word of loyalty!

Observe that Peter and his brethren recognized Christ as the "Holy One of God," that is, God's Son in a unique and intimate sense. One close to and participating in the holiness of God. Loyalty will not hold on any lesser concept of Christ. There is no incentive to real service and sacrifice in the watered-out religious faith of the modernistic liberal!

III. Forsaking All for Christ (Phil. 3:7-11).

There were a number of things in the life of Paul as a natural man of which he was justifiably proud, but which in the light of his relationship to Christ paled into insignificance. The best this world can offer looks like rubbish (v. 8)—which it really is—when one catches a glimpse of Jesus Christ.

Turn your eyes upon Jesus. Look full in His wonderful face, And the things of earth will grow strangely dim.

In the light of His glory and grace.

However, that experience of Paul's was only the beginning of a life of devotion to the Lord, which is expressed in words the depth of which we cannot fully plumb. What does it mean to know "the power of his resurrection, and the fellowship of his sufferings, being made comfortable unto his death"? We do not fully know, but certain we are that it speaks of a fellowship with Christ that is very deep and intimate; a life of power, because He lives in and works through the believer; a sharing with Him of the hatred and bitterness of the world, yes, of death, if need be, for Him, in the assurance of resurrection.

This is an "all out" Christian experience, nothing held back, nothing thought to be too difficult or trying—everything gladly given in unstinted love and devotion to Christ. Now the Christian church is languishing for the want of those who will forsake all to follow Him in complete faithfulness.

Fall Coat

There is a movement among women, which is gaining momentum with each passing day, toward buying apparel of enduring quality and the genteel smartness which reflects discriminating selection. The simple good taste characteristic of the better fall coats is exemplified in the model pictured above. The Forstmann woolen of which it is tailored has quality in look and in velvety texture. For the rest, the appeal of this coat centers in the gentle modulation of its superb lines and in the color, for color is scheduled to play a most important role in coats and suits this fall.

Bangles

Braiding, passementerie, dangles of all kinds, sequin embroideries, beadwork, novelty buttons, plastic gadgets, much jet and crystal and a wide use of embroidery and applique give to fall fashions interesting variety.

Escaped Mental Subject Wins Fortune on Races

VICHY.—The story reached here of the inmate of a mental institution who escaped and while at liberty picked up 300,000 francs playing the horses at Longchamps track. He was found after curfew one night, winnings in pocket. Before being returned to the asylum he gave the police a tip on the races. The tip proved a winner.

But the policeman had failed to play it.

Pointed Paragraphs

Moth Is Sneak Thief

For a big, husky man to let a frail little moth steal the overcoat right off his back seems pretty silly, until we learn mama moth doesn't just walk up and snatch the coat. Instead, she sneaks quietly under coat lapels, deep into pockets, or under the lining to concealed seams. Utterly unaware he's harboring a thief in the dark, the poor man hangs his coat in a far corner of the closet and, more than likely, forgets it until the chill of autumn jogs his memory. Too late, he then discovers mama moth's young have fed on his overcoat all summer. All of which could have been prevented by having the coat thoroughly cleaned and then stored in that attractive cedar chest the little woman has been hinting for ever since she discovered modern cedar chests are handsome pieces of functional furniture, styled and veneered to fit into any room in the house.

Trailers Solid Citizens

Now that trailer coaches have settled down to war service, they're strictly substantial family affairs. More than 65 per cent of the families living in them have one or more children, which means increased attendance at local schools and Sunday schools.

'Only Congress Has Power'

"If the laboring man is to be required to join an organized group in order to work, because of some over-riding social policy, the compulsion must take the form of legislation. . . . It can be brought into existence only by Congress; cannot be created by executive or administrative fiat."—From a 100,000 Steel Company brief questioning the power of the War Labor Board to impose the closed shop on war industry.

War Intensifies Schooling

Presidents and faculty members are co-operating with the Board of Education of the Methodist Church to intensify the war-time program of the 125 Methodist colleges and universities throughout the country. Dr. Harry Wright McPherson, secretary of the Board in Nashville, said their slogan, "Methodist Schools Excel," will have even greater meaning in providing education with a Christian basis.

"Only by accelerating the school curriculum," Dr. McPherson said, "can we hope to continue to fit our young people before entering the war effort with the necessary background of Christian education to prepare them for war and post-war world conditions."

Silk and Nylon Hosiery Out

Rayons will be used in 90% of women's full fashioned hose by August 1. The remaining 10% of women's full fashioned hose will be made of cotton, according to John Shierman, chief of the knit goods section of the WPB in addressing the American Federation of Hosiery Workers in Philadelphia.

HICKORY

(Mrs. Arthur Gerhardt and children, Stanley and Vera May, from Darien, Wis., were house guests at the Earl Crawford home last Saturday and Sunday. Arthur Gerhardt was also a guest there on Sunday.)

Mr. and Mrs. Ed Gillings of Waukegan spent Sunday at the Gordon Wells home. Sunday afternoon callers were Mr. and Mrs. Albert Parzer of Libertyville and Mrs. Leslie Cannon from Gurnee.

Mr. and Mrs. Curtis Wells and sons, Richard and Warren, attended the farm sale at the David Nevelier home at Union Grove Saturday afternoon.

(Mr. and Mrs. Max Irving and sons, Donald and Glen, were Sunday dinner guests at the Frank Salisbury home in Waukegan.)

Mr. and Mrs. Chester Camp and two children from Chicago visited the E. E. Fields home on Sunday.

(Mr. and Mrs. Warren Edwards and family attended a party at the home

of Mr. and Mrs. C. D. Alshouse of Gurnee Saturday evening in honor of the latter's birthday.)

Joe Wolz of Kenosha has been visiting at the home of his daughter, Mrs. William Richards for the past week. Sunday, he called on old neighbors at Pikeville.

Happy Lange, at the Corners, is a new grandpa. His daughter, Ruth, who lives in Chicago, has twin boys. Mrs. Lange is visiting them.

Steamship Design

A change in the design of steamships involving a 5 per cent addition to length would bring, it is claimed, an increase in efficiency of almost 100 per cent.

A war housing project typical of the many springing up in Northern Illinois to provide homes for thousands of war workers.

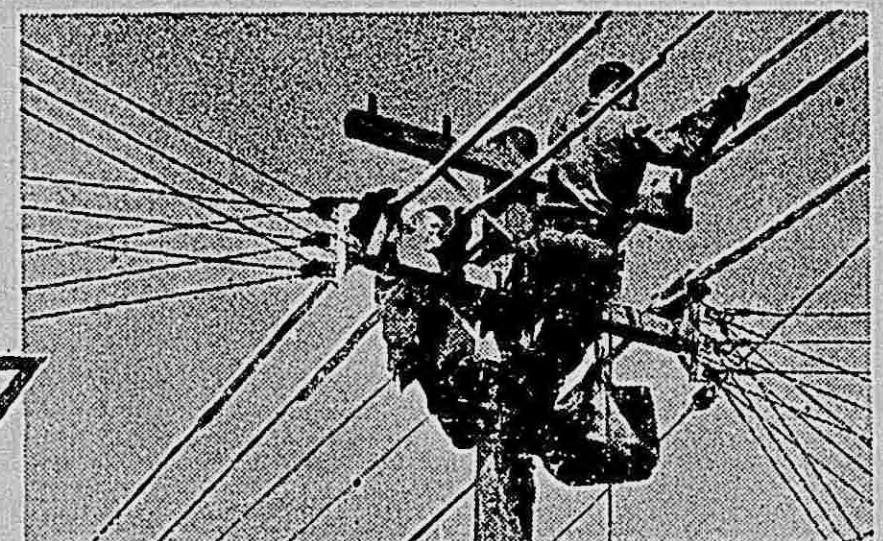

War Housing and Electric Power In Northern Illinois

In America's expanding war production program, the construction of homes for war workers is an important factor.

Great new war plants and additions to present ones bring an urgent need for adequate housing. And with architects, contractors and workmen doing their utmost to meet the demand, thousands of war homes and apartments are springing up over night.

In all these homes electricity is essential for the well-being of war workers—for lighting and refrigeration, for washing and ironing, for cooking, for cleaning, for radio reception.

Electric power lines are being extended to these new war homes as fast as they are constructed. For we know that serving the war workers, like serving the war plants, is vital to America's victory program.

Extension of power lines keeps pace with construction of new war homes. These lines carry electricity which contributes so much to the comfort and convenience of war workers.

Improved and highly efficient building methods are used to speed up construction of homes urgently needed for war workers in Northern Illinois.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

Serving Vital Electric Power for War Production in Northern Illinois

SOCIETY EVENTS

Woman's Club Enjoys Recital at First Meeting

Launching the opening meeting for the season 1942-43, the Antioch Woman's club got off to a good start Monday, Oct. 5, with an excellent 1 o'clock luncheon at Anderson's on Rte. 59.

Luncheon was followed by an enjoyable recital rendered by Lenore E. Brown of Chicago, with a dramatic accompaniment by Bernard Helfrich, a well known organist of Aurora.

The decorations were charmingly done in salvia and autumn leaves.

Thirty members and guests were present.

O. E. S. MATRONS ATTEND GRAND CHAPTER

Worthy Matron Adah Hachmeister and several past matrons and associate matrons of the local chapter attended sessions of the Grand Chapter of Illinois, held in Medinah Temple, Chicago, Monday, Tuesday and Wednesday. The 1942 session of the Grand Chapter is their 68th annual and was named "Victory Session."

The first session opened on Monday evening with a dinner dance in the Grand Ball room of the Hotel Sherman. On Tuesday morning the formal ceremonies opened with "Ode To The Flag," followed by the usual program of welcome and response. This being a business session, reports were made by the retiring Worthy Grand Matron Rebecca Parker, of East St. Louis, Ill. Election of officers took place Wednesday morning and installation ceremonies took place Wednesday evening.

WESLEY CIRCLE TO STUDY LATIN AMERICA

Twenty-five members and friends attended the regular business meeting of the Methodist Wesley circle held at the home of Mrs. George E. Good on Harden street, Wednesday afternoon. Articles on Missionary work in the U. S. were read by Mrs. Lester Heath and Mrs. W. C. Perry. Mrs. H. H. Perry, program chairman, read the first lesson on the study of Latin America.

Mrs. Lester Heath, vice-president, presided at the meeting in the absence of Mrs. Roy Kufalk, who is ill at her home. Mrs. William Runyard is general chairman for the month of October.

ANNOUNCE ENGAGEMENT OF DAUGHTER

Mr. and Mrs. J. L. Cosgrove announce the engagement of their daughter, Mary Ann to Thomas Miller, son of Mrs. William Miller of Antioch. The wedding date will be announced later.

GRASS LAKE P.T.A. TO SPONSOR CARD PARTY

A card party and dance will be held at the Grass Lake school, Saturday, October 10th at 8 o'clock, sponsored by the Grass Lake Parent-Teachers Association. Admission will be 35 cents. Refreshments will be served. Come and bring your friends.

BUSINESS & PROF. CLUB HELD 1ST MEETING OF YEAR

Twenty-five members and guests attended the 6:30 dinner and meeting of the Antioch Business and Professional Women's club held at the Hotel Mortenson Monday evening. Miss Marian Johnson presided at the business session and Miss Jean Casey had charge of the program. The next meeting of the club will be held at the home of Mrs. Homer B. Gaston, 654 N. Main street, Monday evening, Nov. 2, at 7:30. Program to be announced later.

Miss Roselee Sibley, daughter of Mr. and Mrs. N. E. Sibley, 1055 Victoria street, spent the week end in Waukegan as the guest of her cousin, Miss Jean Tiffany at the home of her parents, Mr. and Mrs. Charles Tiffany.

CHRISTIAN SCIENCE CHURCHES
"Unreality" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 4.

The Golden Text was, "He that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting" (Galatians 6: 8).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. And the world passeth away, and the lust thereof; but he that doeth the will of God abideth for ever" (1 John 2: 15, 17).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Now is the time for so-called material pains and material pleasures to pass away, for both are unreal, because impossible in Science. To break this earthly spell, mortals must get the true idea and divine Principle of all that really exists and governs the universe harmoniously. This thought is apprehended slowly, and the interval before its attainment is attended with doubts and defeats as well as triumphs" (p. 39).

ST. IGNATIUS EPISCOPAL CHURCH
19th Sunday after Trinity, Oct. 11
7:30 A. M. Holy Communion
9:45 A. M. Church School.
11:30 A. M. Morning Prayer and Sermon.

We cordially invite you to worship with us.
The finance committee will meet on Monday, Oct. 12, at 7:30 P. M.

Baha'i Activities

THOUGHT FOR THE WEEK
Contributed by the Baha'i Group
DIVINE PEARLS

"You are always in the Presence of God. Open the windows of your soul so His Presence may be within you."
"There are as many ways to God as the breaths of His human creatures. Each soul must develop according to its individual capacity."

"No one can stand for you in the Presence of God in the 'Last Day.'"
"Knowledge of God is obtained through Desire and Patience. We must knock at the door of Truth and seek God with earnestness. Ignorance is as much our national condition as knowledge is our condition of development."

"There is no such thing as self-development. Growth only comes by working for others."
"A good conscience is the divinity within us that needs to be awakened and which shapes our eternal destiny."
"Teaching the Truth is like building bridges by which humanity may cross over the current which threatens. The world must come to know the Word of Christ. How He was mocked, scorned and laughed at! Yet His mission was to uplift the very world which refused Him. Christ is always Christ!"

Words of 'Abdu'l-Baha.

MISS JOAN CRAWFORD
WILL SPEAK SUNDAY
OVER STATION WAIT

The fifth in a series of radio talks will be broadcast over station WAIT on Sunday, Oct. 11, at 1:20 P. M. (820 on the dial). These talks are being sponsored by the Baha'is of the United States and Canada. The speaker this week will be Miss Joan Crawford, chairman of the Chicago Baha'i Radio Committee.

Personals

Mrs. Rena M. Clark, who suffered shock and bruises Monday when she fell on the basement steps at her home on Victoria street, is recovering.

Mr. and Mrs. Oliver Cabbons of Waukegan were dinner guests of Mr. and Mrs. B. R. Burke at their home on Tiffany Road Sunday.

Mr. and Mrs. Robert Alvers and children of Harvey, Ill. were guests of Mr. and Mrs. Charles Alvers, Sr. at their home north of Antioch, Friday and Saturday.

Mrs. Clara Willett entertained her brother and wife, Mr. and Mrs. F. Crossdale of Park Ridge, Sunday. Mrs. J. Osborne, sister of Mrs. Willett, and husband of Traverse City, Ind., also her niece and husband, Mr. and Mrs. Er Carlson and two children from Luddington, Mich., spent a few days here. Mrs. Osborne is going to visit her daughter, a nurse at Camp Grant, who expects to leave for foreign duty within the next few days.

Mr. and Mrs. S. Boyer Nelson and Mr. and Mrs. Wendell Nelson were dinner guests of Mr. and Mrs. D. E. Clifford at their home at Rogers Park Sunday.

Mr. and Mrs. Stanley Morton entertained 16 boys and girls at their home last night in honor of their son and daughter, Jim and Dolores' birthday. A turkey dinner was served and later a large birthday cake was cut and they had ice cream and cake. The evening was spent in music rendered by Bud Mapleshorpe and Bus Jorgensen.

Mr. and Mrs. William Dodge of Woodstock were guests of Mr. and Mrs. Wendell Nelson, Friday evening.

ADDITIONAL MILLBURN
One hundred persons attended the Ladies Aid dinner served by the October committee with Mrs. William Jones as chairman at the church Thursday noon. Committees were named for the annual bazaar and supper, which will be held Friday evening, Nov. 6th.

Mr. and Mrs. J. Kalish, who spent the past eight months with their granddaughter, Mrs. Fred Hartman in Glendale, California, returned home Friday and are now at the home of their daughter, Mrs. Frank Edwards.

Mrs. Mattie Edwards is spending a few days with her daughter, Mrs. John Dickey, in Forest Park.

Dandelions: tubber?
A dandelion has been discovered in the Crimea which contains milk from which rubber can be made.

CHILDREN NOT ADMITTED.

Signs of the Times

Trespassers will be persecuted to the full extent of 2 mungels which never was over sochible to strangers and 1 dubbel brl. shot gun with aint loaded with sofa pillars. Dam if I aint gettin tired of this hell-raisin on my place.

The Japs ought to take a look at the scrap pile at the Antioch Grade school—some scrap heap. The elders of the town built the wire pen early this week and the youngsters had it full to overflowing the very next day. Too bad these kids aren't old enough to bomb Japs and Nazis with something more potent than junk. Anyway they're doing their part in great style.

Mark Twain said: "Let us endeavor so to live that when we come to die even the undertaker will be sorry."

And here's one from Horace Greeley: "The darkest hour in any man's life is when he sits down to plan to get money without earning it."

The Antioch News is being published under difficulties these days, since the organization has lost four valuable employees—Two are engaged in defense work and two are in the Navy. Yet the remaining members of the News staff and force struggle on—not blindly—just busier than heck.

Newcomers in the office are James Brook, printer, of Kansas City, who was rejected by the Army last week on account of slight physical defects; and Fred J. Berg, who retired some years ago after many years service with the Western Electric company. Fred has been giving considerable time to civilian defense work, mainly the training of air raid wardens since last June after attending the state school for warden instructors at Jacksonville, F. J. assists with the office work, takes care of the soldier's mailing list and helps round up the news.

An Antioch woman purchasing war stamps at a local store is said to have told the clerk: "I've been saving this money to divorce my husband, but I can stand him better than I can Hitler." That's real patriotism.

And the soldier of Irish forbears who enlisted from this community, says: "Some of these guys has got the idea that the duty of a good soldier is to die for his country. Nuts to that! The duty of a good soldier is to make the enemy soldiers die for THEIRS."

The help situation being what it is, and a war on, the News' chief worry right now is whether or not there is going to be any time to devote to those "dear friends of the people" who are coming up for election—or defeat—in the November 3 election. The old boys have been playing the game according to the best traditions of Lake county politics—anything to win and winner take all.

Perhaps you wondered whether a Commando raid was on about two weeks ago. Did you see four or five men popping around the neighborhood, coming over cross lots, jumping fences and hedges?

Don't be alarmed if they show up again. They didn't escape from confinement, just a crew of men from the Barbary Eradication office, looking for the rust spreading species of barberry, often found growing wild or at times in unsuspected hedge plantings.

RED CROSS ANNUAL MEETING SET FOR TUESDAY, OCT. 20

The Annual meeting of the Waukegan, North Chicago, North Lake County Chapter of the American Red Cross will be held on Tuesday, Oct. 20, at 6:30 p. m. in the dining room of the First Congregational Church, Waukegan, according to an announcement released today by E. Merle Schriener, acting chairman.

This meeting is open to members in the Chapter area, which includes the ten north townships in Lake county. A member, according to the Red Cross by-laws, is an individual who paid \$1.00 or more during the membership campaign of last November. A new Board of Directors will be nominated at this meeting.

Tickets for the 6:30 dinner are 65 cents and may be obtained at the Chapter Headquarters, 230 N. Genesee street, from members of the Chapter or from members of the Board of Directors.

Because of the increased activities of the Red Cross and the importance of the work which must necessarily be carried on during the ensuing year, it is the hope of Chapter officers that many more members than have attended these meetings in the past will be present on this occasion to learn how their Chapter's affairs are being conducted. Arrangements are being made for 150 persons and because accommodations are limited to this number, it is important that reservations be made at the earliest possible time.

Nurses Aides to Train at Victory Mem. Hospital

The second class of Nurses' Aides to be sponsored by the Waukegan, North Chicago, North Lake County Chapter of the American Red Cross will soon start their courses at Victory Memorial hospital.

Arrangements have been completed by Mrs. M. Kaye, chairman, Nurses' Aide committee for the local chapter, and Miss Olive E. Leibold, superintendent of Victory Memorial hospital, to begin instruction, which lasts for eight weeks, on Monday, Oct. 19th. Eighty hours of training are required, thirty-five of which are lectures and the remaining forty-five being spent in actual hospital practice.

Applicants are now being interviewed by the Nurses Aid committee at the Red Cross Headquarters, 230 N. Genesee street.

Provisions have been made for morning and evening classes. Because of the present shortage of graduate nurses, a condition which probably will become worse as more nurses are called into service, the need for Nurses' Aides in the hospitals and clinics of North Lake County is acute. For this reason it is the hope of the hospital and Red Cross officials that the full quota for this class may be reached.

News of the Boys in Service

Correction—Our Sept. 24th issue stated Pvt. Paul Sterbenz left for army service. We should have said he left for enlistment in the Marine Corps, as shown by his address:

Pvt. Paul Sterbenz,
Plt. 795
R. D. M. C. B.
San Diego, Calif.

Several of our boys report changes in address and incidentally changes in rating. Our congratulations.

Staff Sergeant Lester C. Perry, Co. H, 129th Inf., APO 1495, c/o Postmaster, San Francisco, Calif.

Corp. Wilson King, 136th Inf. Service Co., APO 33, Ft. Lewis, Washington.

Pvt. Antone Fillion (36255108), 415 Signal Corps, APO. 501, c/o Postmaster, San Francisco, Calif.

Added to our list:

Pvt. Arthur L. Peydik, 780th T. T. S. (S. P.) Barracks 163, American Air Force, Lincoln Air Base, Lincoln, Nebraska.

U. S. Coast Guard Recruit

William Hasney, 21, a former resident of Waukegan, was inducted into the U. S. Coast Guard in Chicago, Wednesday, Oct. 7. He enlisted a month ago. Bill is the son of Mr. and Mrs. Chester Hasney of Lake Catherine with whom he has made his home the past two months. He was employed by the North Shore Auto Body Co. in Waukegan for over two years.

Uncle Sam Needs Skilled Workers at Pearl Harbor

There is still an urgent need for skilled workers in government service at Pearl Harbor, according to the United States Civil Service Commission. Among the trades for which qualified men are most needed are Aircraft Mechanics, Aircraft Instrument Mechanics, (Machinists, Riggers, Shipwrights, Boilermakers, Flange Turners and Patternmakers.

Applications for these and other skilled craft are being received by Oliver Hughes, Civil Service Commission Secretary at the Antioch, Ill., Post Office.

Transportation is paid for by the Government, wages are unusually high, and living and working conditions are above average. Most of the positions guarantee a 40-hour week with time and one-half for overtime. Workers have full use of Government recreational facilities and hospitalization is provided without cost to the men.

NEWSPAPERS SEEN DOING GOOD JOB ON STEEL SCRAP DRIVE

"On Age," steel and iron trade magazine, said the newspapers united scrap drive was apparently to be "the dominant factor this winter" in building up vital supplies of scrap metal for war production, says the Associated Press.

The magazine said the drive, which started in most states Monday, was forcing observers who had been "lukewarm over the probable results to take a new view of the situation."

It said the newspapers "are throwing themselves behind the scrap drive with sometimes spectacular results."

The magazine reported, however, that labor shortages in scrap yards may act as a curb on prompt processing of the material and suggested it was "a problem for which enterprising newspapers in some cities might help to find a solution."

Its survey warned "reports from mill centers are that the scrap piled up in the national campaigns has not yet reached mills in quantities sufficient to prevent what can develop into a very serious situation."

The Antioch News is one of the newspapers carrying the advertising and sponsoring it, too. One appears in this edition.

PURINA LIGHT HORSE OMOLENE

ANTIOCH MILLING CO.
Phone 10 — Antioch, Ill.

Your Dinner on the Hoof

According to information received today by Antioch Milling Company, local Purina Dealer, these 40 choice Hereford steers went from the Purina Experimental Farm, Gray Summit, Missouri, to the National Stockyards, East St. Louis, Illinois, recently and established a new 7-year top, selling at \$15.75 per hundredweight.

That record was broken a week later when another Purina shipment sold at the record-breaking price of \$16.00 per hundredweight. The first lot tipped the scales for an average of 1,299 pounds, while the second string, 59 head, averaged 1,258 pounds. The cattle had been on feed since last December 17.

Although the cattle were good enough to sell at new high levels, they weren't corn-fed. Some of the steers were finished on ground barley, roughage, and Purina Steer Fatena. Others received good kaffir and milo, roughage, and Steer Fatena.

Black Satin

Black satin suits are big news for fall. Carefully sleek for autumn wear is this stunning suit done in fashion's newest fabric favorite—satin! The little jacket of this New York creation features the new shorter length. It flares slightly, as does also the discreetly gored skirt. The highly decorative plastic buttons are in aqua coloring. Together with an aqua colored corsage, they add the prettily feminine touch. The stores are showing satin suits of this type in dark, rich jewel colorings, but black is the favorite.

Wicked Weasels

If there were too many weasels, they would quickly wipe out all small birds, animals and reptiles in the country . . . and although prolific and quite safe from the attacks of birds and beasts of prey, they do not become numerous . . . largely because they destroy themselves . . . by fighting with each other . . . while the animal is a ruthless killer, he has his value to mankind . . . in destroying rats and mice.

Phil Fortin, Prop.

The Nation's steel mills are running out of scrap. They haven't enough on hand for even 30 days more. When this is gone they may have to shut down—for all new steel is 50% scrap. Get your scrap ready to turn in now!

WHOSE BOY WILL DIE BECAUSE YOU FAILED?

Or maybe you don't care!

We think you do. We feel that our whole community is ready to rise up and bring in the scrap as soon as you get a chance. So you're going to get that chance!

Next week we're starting the biggest drive you've ever seen, to get in this precious material. And you're going to pitch in, too, because this situation is serious.

Start looking around your place for scrap today. If you've got a son in the service, do it for him. Do it for the neighbor's boy—for those fine young chaps you just passed, out on the street.

Above all do it for your country . . . and do it now!

THINK about it as revenge—a way to get back at the scum who have attacked us. Or think about it as a little more protection for our fighting men—something you, yourself, can do to bring as many as possible home alive.

But think about it now—for the scrap in homes, farms and factories has got to be moving to stockpiles within the

next few weeks or it may be too late!

Maybe you don't know what it means to have production fall off. Maybe you can't imagine how it feels to be hunkered down in a foxhole wishing for just one more clip of cartridges. Or to see the enemy rolling through your lines because you didn't have just a few more tanks.

Smart White Accents Bring Costumes Up to the Minute

By **CHERIE NICHOLAS**

ALL signs point to a continuance through fall and winter of the high fashion rank accorded during the past months to pretty, flattering and "feminizing" white accents on dark costumes. The vogue for dark dresses and suits highlighted with lovely, lacy neckwear and various other frilly, immaculately white touches is particularly apropos at the immediate moment in that it so beautifully solves that tantalizing problem of smart and timely dressing through the "betwixt and between" season which leads from summer into fall.

For the touch that is warranted to lend a new lease of life to summer-on-the-wane clothes that you are loath to give up as long as warmish days persist, regardless of what the calendar has to say about it, there is nothing that surpasses the refreshing prettiness of dashes and splashes of billowy, frilly white. That is why so many fashion-wise women have taken to collecting a "neckwear wardrobe," just as the college girl once collected sweaters. What with suits registering as fashion "firsts" on the fall style program, one of the most-to-be-desired items you can put in your collection of lacy fineries is a dainty dicker of exquisitely embroidered organdy like that pictured above to the right in the illustration. Note, particularly, the cunning self fabric bow tie fastening, a new note in last-word chic. A dicker of this patrician type is a choice possession that will prove to be "a thing of beauty and a joy forever." Incidentally, we might add that reports from neckwear departments say there are more calls for dickers to wear with suits this season than ever before. One of the clever diversions milliners are indulging in is the trimming of hats with dramatic lingerie touches, ruffles and frills especially. You can see by the picture how effective the result is.

The jabot of hand-embroidered lace pictured at the top left is another

item that should be included in every neckwear collection. It will prove a standby when an extra touch of allure is needed. You will be wearing it with your suit, and it will prove definitely "right" with your one-piece frocks and your blouses.

As inspiring and as spirit lifting as a good repartee is the bright and piquant set of scalloped organdy collar and cuffs illustrated below to the left in the group. A handsome set like this is a miracle worker when it comes to imparting a dressy afternoon look to a simple daytime frock.

To set off a pretty face and to add glory to a dark dress, the adorable collar at the lower right in the above illustration possesses a fetching way all its own. Spanking white and crisp and immaculate, it will add a lilt to your walk and a gayness to your spirit. The handsome Venise lace that edges it helps to make the vote unanimous that it is one of the prettiest collars brought out this season.

Speaking of lacy accents, here's news for fall that really is news. It's in regard to the new velveteen suits now being shown in smart autumn fashion previews. The all lace blouse of Alencon or Chantilly to wear with it is cast for an important role. Froths of lace in pretty confusion cascade down the front of some of the blouses. They will add grace and daintiness to fall and winter suits for cocktail and on-into-the-evening affairs. Sports blouses will be good, also, and neat, trim and spic-and-span looking. Colorful wool lace blouses are also scheduled for fashion prestige.

Released by Western Newspaper Union.

TREVOR

John Holmes, Chicago, was a visitor at the home of his uncle and aunt, Mr. and Mrs. Dan Longman, Tuesday.

Mr. and Mrs. Charles Oetting and son, Louis, attended the forty-fifth wedding anniversary celebration of the former's brother and wife, Mr. and Mrs. Henry Oetting, at their home in Oak Park on Tuesday evening. They also called on their son-in-law and daughter, Mr. and Mrs. Howard Mathews of Riverside, Tuesday afternoon.

Mr. and Mrs. William Schaper and their sister, of Hinsdale, visited the former's sister, Mr. and Mrs. A. J. Baethke, on Wednesday. Mrs. Gus Falslau, Chicago, and daughter, Mrs. D. Thomas, Vancouver, Canada, also were recent visitors at the Baethke home.

Mrs. Joseph Smith spent Wednesday with Mrs. Annie Stenzel in Wilmet. Mr. and Mrs. George Hockney and family, Silver Lake, were callers at the Charles Oetting home Sunday afternoon.

Mr. and Mrs. Ted Allen and daughter, Marlene, Twin Lakes, called on Mrs. Jessie Allen Monday morning.

Mrs. Wells, Rock Lake, is leaving this week for Springfield, Ill., to join her husband who has employment there.

Mr. and Mrs. Charles Oetting, Mrs. Joseph Smith, Mrs. Robert Levandoski, Mrs. Alvin Moran and sons, Frankie and David, and Mrs. Jessie Allen were Kenosha shoppers Thursday.

Mr. and Mrs. Ed Yopp and daughter, Dolly, Racine, spent the week-end at their Rock Lake cottage.

Mrs. Champ Parham was an Antioch caller Tuesday.

Mr. and Mrs. Charles Oetting and

Priscilla Allen were Silver Lake callers Sunday morning.

Mr. and Mrs. Joseph Zamoc, Chicago, called at the Dan Longman home Sunday.

Mr. and Mrs. Robert Runyard, Sr., Antioch, were Monday callers of Mr. and Mrs. Dan Longman.

Mrs. Ottila Schumacher spent Friday and Saturday with her daughter, Mrs. Maurice Lux, Bristol.

William Gallart, Salem, was a caller Saturday of Mr. and Mrs. Lee Wilson.

Mr. and Mrs. Dan Longman and the latter's sister, Mrs. Lena Holmes, spent Thursday with their daughter, Mrs. Willis Sheen.

Mr. and Mrs. Richard Corrin spent Saturday in Chicago.

Mr. and Mrs. G. E. Berry, Silver Lake, were recent visitors at the Mrs. Hattie Curtis home.

Mr. and Mrs. Dan Longman entertained on their 48th wedding anniversary.

sary, Mrs. Willis Sheen, Mrs. Lena Holmes and Miss Mary Sheen.

The Harry Parks family and William Smith, Chicago, spent the week-end at Diana Lodge.

Mr. and Mrs. George Carr have moved into the Frank Larwin cottage at Liberty Corners, recently vacated by Mrs. Gus Wellman.

WEEKLY NEWS ANALYSIS

Aid for Small Business Urged by WPB; Allied Land-Air Offensive Relieves Jap Pressure on Critical New Guinea Front; FDR Envisions Higher War Production

Western Newspaper Union's news analysis and not necessarily of this newspaper.
EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Released by Western Newspaper Union.

British raids on the German lines in Libya have yielded considerable success in damage to enemy communications and supplies as well as in prisoners captured for questioning. Above photo shows some of the 97 German prisoners taken on a recent foray.

SMALL BUSINESS: To Get Lifeline

With the nation's inevitable progress toward total war economy, many a small business man faced the prospect of becoming a postwar casualty unless a lifeline were thrown to him.

Help appeared likely, however, when War Production Chief Donald M. Nelson urged on congress the immediate creation of a war liabilities administration charged with the job of seeing to it that the little business man survived.

Four essentials for saving little business were recommended by Nelson in testimony before the special senate committee studying wartime problems of little business.

No. 1 is to help little business enterprises take care of overhanging liabilities they would have been able to discharge under normal circumstances. No. 2 is to provide means for financing small business after the war. Third is to furnish technical and other assistance for small business after the war; and fourth, is to provide a mechanism giving small business enterprises a priority in the acquisition of machinery and equipment when the war is over.

ROOSEVELT: High Goals Ahead

Expressing the opinion that war production was proceeding at an extremely satisfactory rate and that the rest of the nation was far ahead of Washington in war spirit, President Roosevelt returned to the White House after an unprecedented secret inspection of war activities from coast to coast. Mr. Roosevelt said that even higher production goals would be set in months to come.

Although every detail of the historic journey remained a military secret during its progress, the publicity which followed it reverberated across the nation once the censorship curtain was lifted. In a dramatic press conference that paralleled in drama his famous "horse and buggy" attack on the Supreme court seven years ago, the President hit out at certain elements in congress, in the press and radio and in parts of his own administration that were either deliberately or misguidedly hampering America's war effort.

The President had warm praise for the nation as a whole. The people in general, he said, have the finest kind of morale.

PACIFIC AREA: Yanks Infiltrate

In the New Guinea area of the Southwest Pacific, Allied mountain troops gave the Japs a taste of their own medicine by taking the offensive, sifting through jungles and over mountains to recapture Nauro in the Owen Stanley range, well beyond Ioribaiwa, the high water mark of the Nipponese advance on Port Moresby.

A communique from General MacArthur's headquarters in Australia revealed that American and Australian pilots attacked Japanese supply lines for 78 miles back to Buna, the main Japanese coastal base in New Guinea. Using native porters as pack trains the Allied troops covered difficult ground as rapidly as had the Jap invaders.

In the Solomon Islands the marines continued to consolidate their positions and to strengthen the defense of the vital Guadalcanal air base against expected enemy assaults. MacArthur's airmen made repeated raids on the Jap-held northern Solomons.

Meanwhile in Washington the navy department reported the loss of two American transports in the original battle of the Solomon Islands. These were the 8,378-ton naval transport George F. Elliott and the transport Gregory, a small auxiliary.

RUSSIA:

Race With Winter

As autumn brought blustery cold days presaging the advent of a Russian winter, the historic struggle for possession of the Volga area continued with the Germans hurling in new infantry forces, tank divisions and air units and the hard-pressed Reds stubbornly contesting every foot of territory.

In the ebb and flow of continuous battle, one Russian counterattack threatened the Nazis' right flank, while another against the Germans' left flank had pressed slowly down between the Don and Volga rivers. Meanwhile guns of the Volga fleet continued to pour death into the ranks of the Nazi invaders.

Despite local Russian successes, the gravity of the situation remained. The Germans retained mastery of the air. Their tank and mechanized forces were superior to those of the Red defenders. The German high command was spending blood and lives recklessly.

To the south of Stalingrad in the Caucasus, the news was more encouraging, for Soviet armies had continued to delay the advance of the Axis forces into the priceless oil fields.

SECOND FRONT:

Churchill Enigmatic

Somber was the report Prime Minister Winston Churchill gave on the Dieppe Commando raid when he revealed that Allied losses were "very nearly half of the troops involved."

The prime minister said that British tanks were held up by the "altogether unexpected strength" of defense blocks placed at the ends of Dieppe's streets by the Nazi defenders.

These statements together with a later admonition to Parliament about the undesirability of public statements or speculations regarding the opening of a second front had the experts puzzled.

Was Churchill emphasizing the Dieppe losses to lull his Nazi enemies? Was he hush-hushing the second front for the same purpose, or to quiet home demands?

The between-the-lines implication of his statements, according to seasoned observers was this: "Let's keep Hitler guessing. Of course we have definite plans, but let's not expose our hands."

ISOLATIONISTS:

Urged to Recant

Pre-Pearl Harbor isolationists were urged by Supreme Court Justice Felix Frankfurter to contribute to "the spiritual unity which the peril of the hour demands" by publicly repudiating their former views.

In an address at the inauguration of Dr. Harry Noble Wright as presi-

JUSTICE FRANKFURTER
"... candid recantation."

dent of the College of the City of New York, Justice Frankfurter said:

"Nothing would so make for a strengthening of the morale resources of the nation than a candid recantation of their foreshortened views by all prewar isolationists."

Justice Frankfurter cited as a distinguished example, the case of the Very Reverend Robert I. Gannon, president of Fordham university, who publicly admitted that he had been "completely wrong" in his pre-war opinions.

LABOR:

Gets Blunt Advice

American labor leaders were bluntly told by Rear Admiral Ben Morell that the people could live without labor unions and "they will damn well live without them, if all of us don't get in there and pitch."

Speaking before the building and construction trades department of the American Federation of Labor in Toronto, the chief of the navy's bureau of yards and docks said he was not implying that labor has any exclusive responsibility for the country's failure to produce the maximum of war implements, but that he felt working people had the biggest stake in the war.

U. S. BIRTH RATE:

J. C. Capt, director of the census bureau, revealed that the population of the continental United States, including members of the armed forces abroad, was about 133,965,000 last January 1, as compared with an estimated 132,038,000 on January 1, 1941. This represented a gain of 2,296,000 over the 1940 census figures.

Births in 1941 accounted for a population increase almost 50 per cent above the average annual gain, Mr. Capt reported.

LAKE VILLA

The next in the series of anniversary pot luck suppers and showing of pictures will be on Friday evening, Oct. 23, and all are welcome. The old time Ladies Aid society will be featured and Mrs. Helen Weber will be in charge.

If you have any canned fruit or vegetables which you would care to add to that of the W. S. C. S. at the church, you may get empty cans there in exchange to send to Lake Bluff a little later, with the contribution of W. S. C. S., and if in your fall housecleaning, you find some outgrown garments, they may be added to the sacks being filled by the W. S. C. S. for the Goodwill Industries in Chicago, and may be left at C. B. Hamlin's home.

Mr. and Mrs. Charles Martin celebrated their wedding anniversary at their home on Tuesday, Sept. 29, and several relatives and friends enjoyed a chicken dinner with the couple. Guests were Mrs. Minerva Hook and Miss Lucille Olson of Waukegan, Mrs. Elizabeth McCann of Gurnee, Mrs. B. J. Galiger, Mrs. Sidney Barnstable, Mrs. C. Madison, Mrs. Ollie Tweed and Mrs. Gordon Martin of Lake Villa.

Mr. and Mrs. G. P. Manzer, Mrs. Al Boehm and Mrs. Carl Wallner drove to Rockford last Thursday to spend the day with Mrs. Inez Manzer and family.

Mr. and Mrs. Bert L. Galiger attended the funeral of Mrs. Galiger's grandmother, Mrs. Grandy, at Marinette, Wis., early last week.

John Effinger joined friends last Saturday on a fishing trip to northern Wisconsin.

Mr. and Mrs. Wilbur Madison are in northern Wisconsin on a vacation trip, and Mrs. Madison's place in the postoffice is being taken by Mrs. Russell Nickerson.

Second Class Seaman Eugene Anderson, stationed at Philadelphia as customs inspector in the Coast Guard, enjoyed a rather brief furlough and will report for duty next Sunday. He spent his time here with his wife, the former Betty Reinebach, and in Chicago with other relatives. They celebrated their first wedding anniversary on Monday.

Cedar Lake R. N. A. Officers' club met last week and decided to buy U. S. Defense bonds with the money earned by giving parties during the past year.

Mrs. Fred Hamlin entertained the Sewing club at a luncheon at her home Tuesday afternoon.

Mrs. Swanson and daughter, Mrs. Pollard, were Waukegan visitors on Tuesday.

Lake Villa School Notes

Dr. Callahan was at our school last week on two different occasions. He began the immunization of most of the children for diphtheria and administered smallpox vaccine.

The Heslau's of Oak Park, who lived here during the summer, and opened the school term here, have been saddened by the death of their father, William Heslau. They left for their home in Oak Park immediately afterward. We were very sorry to see them leave and all extend our sincerest sympathy.

The Lester Hamlins are leaving town and moving to Waukegan. They have lived here more than ten years and we are sure it's a loss to the community. Charles Hamlin has already left this school and is now studying at St. Anastasia, a Catholic school in Waukegan. The younger son, Allan, will leave soon.

Genevieve Pederson was absent from school following an appendicitis attack, but is now with us again.

The school maps were brought down from a vacated school room and replaced in Miss Falch's room. This will make geography more pleasant and easier for the third and fourth grades.

Mrs. Charles Hamlin sent Miss Falch five plants, the cactus, pepper, mother-in-law's tongue, and two begonias. We want to thank her for them.

--- V ---

MILLBURN

Lyman Bonner and Allan Latham, who are attending school at the University of Illinois, spent the week-end at their respective homes.

Richard Martin entertained his parents, Mr. and Mrs. E. A. Martin, also Mr. and Mrs. Carl Anderson and Mr. and Mrs. Eric Anderson for dinner at the Vera McGowan Tea room in Evanston Sunday.

Mrs. J. H. Gould of Grayslake spent Thursday afternoon with Mrs. Jessie Lowe.

Mrs. O. L. Hollenbeck spent the past week with her daughter, Miss Shirley Hollenbeck, in Highland Park.

Rev. and Mrs. L. H. Messersmith of Cambridge, Nebraska, arrived here Thursday to assume the work as pastor of the Millburn church. They are occupying the Gordon Bonner tenement house until the parsonage will be available, about Nov. 1.

Mr. and Mrs. Ray Harmer of Waukegan were callers at the Frank Edwards home Sunday afternoon.

There was a good attendance at the combined P. T. A. and War Education Program held at the school Wednesday evening, Sept. 30. Mrs. Carl Anderson led the discussion on the leaflet, "What Did You Eat Today," and County Farm Adviser Ray T. Nicholas spoke on "Wartime Livestock Outlook for 1943," "Good Soil Management Is Essential for High Wartime Production" and "Plan for Livestock Feeding Program Now."

Mrs. Ed Hoffman gave to vocal num-

bers. Lunch was served by Mrs. Don Holen and Mrs. Crawford. Mr. and Mrs. John Edwards of Waukegan were Sunday dinner guests at the Frank Edwards home.

Mrs. E. A. Martin attended a luncheon for past presidents in the Mothers of the DeMolay in Waukegan Tuesday.

SEQUOIT GRIDDERS WIN FIRST CONFERENCE TILT OVER BARRINGTON

Locals Take Long End of 25 to 7 Score Here Friday

(By Dick Kaufman)

The Sequoit huskies entertained a group of Barrington football players in their first conference game of the season by trouncing them to the tune of 25 to 7, last Friday afternoon on Antioch's field. Antioch led by the slim margin of six points at the half, but Barrington faded in the second half, whereas Antioch started clicking.

The first quarter was even play, neither team gaining much ground. Antioch's line charged slightly better and Jack Fields, the quarterback, pushed them back with his punting.

The second quarter, Antioch pushed closer to the goal on Earl Brixen's right half, power plays with the line also charging more. With four minutes remaining in the second quarter, the Sequits put the ball over on a pass from Fields to left end Dale Barnstable.

At the start of the second half Antioch started clicking. Barnstable caught two more passes for touchdowns and another one to the five yard line. A fifteen yard penalty took the ball back to the twenty where Brixen's run to the five and Bud Mapleshorpe's plunge scored.

Barrington's touchdown came after Antioch had scored three and became a bit cocky. They plunged over after a series of runs and passes had brought the ball to the three yard marker.

Barnstable and Dressel, the two ends, are coming along fine in defense as well as offense. The line from tackle to tackle is getting tougher and tackling harder. Nader is handling center much better, while Dalbe, Wurzbach and Calhoun are charging and blocking better. Yopp, over his charley horse, and Ted Mapleshorpe showed improvements. However, the team thinks it will have to do much better against Bensenville this Friday.

Starting lineup for Antioch was: L.—Barnstable; Lt.—Calhoun; Lg.—T. Mapleshorpe; c.—Nader; r.g.—Yopp; rt.—Wurzbach; re.—Dressel; qb.—Fields; Lh.—Klass; Lb.—B. Mapleshorpe; rh.—Brixen.

Show Wash Cottons For School, Dates

The vogue for tubable cottons goes on at a rapid pace. Back-to-school wardrobes, especially, include cottons, many which look like wool being made up into suits and even coats.

Jacket suit-dresses of richly colorful plaid gingham are high style for town wear, and black linen or shantung costumes are holding good and will continue to do so until really fall days set in.

Young folks who eagerly don "after duty" dresses, when uniforms are laid aside after hours of war work, take keen delight in the crisp organ-dies, dotted swisses and smart piques that make up so pleasingly into dance frocks.

The honors for loveliness go especially to the new crinkled seersuckers that are beautifully flower-printed and are so sheer and tissue-like they are exquisitely dainty and feminine. These are for the most part made with wide swirling skirts, or are ruffled in triple tiers for the skirt.

Velvet Trim

Very new and attractive are the new black wool coats that are colored and cuffed with velvet. Some of them are tied with a touch of velvet to one side. Other new models have velvet yokes or placons.

Felt Flowers

The newest felt hats are sporting cunning felt flower trims. The flowers are cutouts in multicolors. These are attached to the off-the-face brim so that the petals are left free and away from the back ground.

Girls' Athletic Director Was U. Tennis Champ

(By Geraldine Hasney)
Miss Shirley Reynolds, who comes from Dell Rapids, South Dakota, is teaching girls physical education and commercial subjects in place of Miss Olson who had to resign because of illness.

After having graduated from the University of South Dakota, the new instructor did secretarial work at Montgomery Ward and company in Chicago.

Miss Reynolds entered upon her duties at the high school September 28. She is the new sponsor of the Girls' Athletic association, which held its first meeting today.

When asked what her hobbies were, Miss Reynolds replied that she liked all sports in general but that her favorites were tennis and dancing. Evidence of the new instructor's prowess is the fact that she won the tennis championship at the University of South Dakota when she was a student there.

"What a Life" Will Be Presented by Junior Class

The junior class of the Antioch Township High school will present a three-act play, "What a Life," Nov. 19 and 20, under the direction of Miss Margaret McDorman, instructor in English and co-sponsor of the junior class. Tryouts for the cast of the play are being held this week.

Deep-Sea Expedition

A fish-line five miles long and a giant fish trap baited with colored lights to lure the unknown citizens of the Atlantic's greatest "deep" are features of a deep-sea expedition in the West Indies.

One-Eyed Presidents

Two recent Presidents were one-eyed. Theodore Roosevelt, who had weak eyes since childhood, lost the sight of one eye from an injury received in a boxing contest in the White House. President Woodrow Wilson became blind in his right eye from a retinal hemorrhage.

YOU PROFIT BY OUR POLICY

'Black' Is Still an Important Word

At all fashionable gatherings it becomes increasingly apparent that black is staging a triumphant comeback into the fashion picture. The smartness and importance of black is strikingly evidenced in the stunning new black satin gowns featured in a prologue to the fall season.

The new black frocks that make slim silhouettes their theme are appearing everywhere in fashionable gatherings. They look smartest adorned with a single, important piece of jewelry and with giddily colorful long gloves and an enchanting hat to supply the prettily feminine touch.

Then there are the entrancingly "pretty-pretty" black sheers, many of which take on endearing pink or pale blue accents. Black shantung and black linen suits are declared by many to be the smartest town-wear costume of the season. For dressy afternoon wear there's nothing in the way of a suit which outclasses those styled of black bengaline. Women are also expressing a desire for simple daytime frocks made of black rayon jersey.

An Old Favorite, the Lace Blouse, Is Back

It is anticipating its advent a long time ahead, but there is promise of the return of the lace blouse to be worn with jewel colored velvet suits and, for that matter, with satin in deep dark colors or black.

The sheerest of sheer black lace blouses has been in evidence for some time past, and it will continue its triumphs. However, the big news is the lace blouse made delightfully feminine with frilly accents, styled either of delicate Alencon or of very sheer Chantilly.

Great Shipyard

The largest single plant in the war production drive is the Newport News Shipbuilding and Drydock company, employing 27,000 men; the smallest is the Armstrong Manufacturing company plant at Portland, Ore., which employs 19.

Both Being Watched

I observe the physician with the same diligence as he the disease.—Ben Jonson.

In Hot Water
Thinking an electric iron would be a good substitute for a hot water bottle, a housewife in Helsingfors, Finland, placed it in her bed and turned on the current, but her inventiveness brought unexpected retribution by the city. She forgot about the iron, the bed caught fire, and she was fined for wasting electricity.

Piloting Needles

Some airmen down South finally got their wings in a USO club—so to speak. Eighty-five pilots had just earned their wings but didn't know how to pilot a needle. And so they marched in formation to the USO club where the volunteer women's committee gave them their wings in the stitch of time.

Number of Tons in Hay Stack

In estimating the number of tons of hay or straw in a stack, multiply the length by the width at the ground by one-fourth the distance over the stack. To get the number of tons, divide the multiplied product by 600 if the stack is well settled, or by 650 to 700 if the stack is new or not well settled.
